REFUNDABLE SECURITY DEPOSIT
Your deposit serves several purposes: to secure the date, and to cover damages that may have occurred during your rental use. If the facility is left in good condition, your deposit will be returned by mail as soon as possible after your event. Since deposits have been set at very fair rates, renters agree to be responsible for any damages occurring to the historic buildings, grounds, or artifacts that exceed the deposit. If circumstances arise that cause you to not use the facility after a deposit has been made, it will be refunded by mail if at least 10 days notice has been given. Last minute cancellations mean that the non-profit museum has lost out on other rental revenue while holding the facility for you. Any withheld deposit is deemed as reasonable compensation for such loss.

*Security deposit can be flexible with certain events, returning renters or package rentals.

The Magnificent East Lawn

This large lawn on the East half of the museum’s historic grounds is available for private functions. It is a full quarter block of open lawn surrounded by Victorian flower gardens and large trees. The East Lawn setting is a beautiful choice for outdoor weddings, performances, parties and reunions; particularly in May, June, July, August and September. Laramie Garden Club’s creative efforts with the exquisite array of flowers around the property make this area special.

The buildings on the grounds are not accessible for your group unless you have made prior arrangements or are using the East Lawn as part of a rental package. The Alice Hardie Stevens Event Center offers public bathrooms that include a bridal/family dressing room with easy access to weddings and receptions on the East Lawn.

At this time, we provide 200 white folding chairs for free, set tables and chairs, round and rectangular serving tables. Also, we have a wonderful metal arch that can be used. Certainly all of our extras are available to you if you are renting a package deal with the Event Center but there are businesses in the area from whom you can rent tents, extra chairs, arches, trellises and other items you might want for an elegant presentation. The museum staff can help you with anything you might need. Extreme care must be shown and no artifacts should be touched. Only museum staff can help you. The museum will not infringe upon your photo session. Please make your family and guests aware that the museum is open for your pictures and so that tours of the museum will not interfere with your photography.

The Historical Ivinson Mansion

The beautifully restored Ivinson Mansion, built in 1892 by one of Laramie’s first families, is on the National Register of Historic Places and operates as a non-profit historic house museum emphasizing Laramie Plains area history and the Victorian Era. It is an outstanding setting for a small event to incorporate lovely Old World charm. Fire Code allows for a maximum of 50 people inside the Mansion for your event.

Your ceremony may take place in the front Foyer of the Mansion, in the fanciful Drawing Room where the turn-of-the-century owners entertained their very special guests, or in the Library. Our historic furnishings will be moved from the center of the area you choose so that there is room for your intimate gathering of standing guests. Some chairs are available for guests with special needs.

The Smoking Room is an adjoining area in which the groom and his attendants can wait before the wedding. The bride may do final dressing on the second floor and then descend the elegant Grand Staircase to meet her waiting groom.

To preserve the historic integrity of the building, no tape or nails are allowed on the walls or beams. Nothing really needs to be hung in the center because of the striking new ambiance. Musical equipment and a DJ are fine in many areas of the Center or they can be on the stage which is an optimal place for bands and performances. Coordinate such details with the museum staff well before your event. Decorating may be done by a florist or you. All fresh flower arrangements must have plates under them to protect the antique furnishings. Decorations should be simple, without heavy water, pollen or glitter, and must be removed immediately following your event. Only floral tape and ribbons may be used to adhere décor to the staircase wood. A 19th century piano is available in the Library should you choose a pianist to accompany your event. A small audio system may be used for background music.

Museum volunteers and/or staff will be in attendance to supervise, provide security for our collections, and help with anything you might need. Extra care must be shown and no artifacts should be touched. Only museum indicated by museum staff may be sat upon. Any areas roped off should not be entered by you or your guests. Please make your family and guests aware that the museum is open for uninhibited wandering while they wait for photos to be taken or the ceremony to begin.

On your memorable day, the museum will be closed to public tours for a period of time to allow for set-up, photographs, family privacy, and clean-up after your event. There is a dressing room for the bride and her attendants in the Alice Hardie Stevens Center. An English toilet is available for you and your guests.

The Alice Hardie Stevens Center

This exceptional facility, named for the Laramie woman whose extraordinary efforts were integral to the preservation of the historic Ivinson Mansion and grounds, is perfect for meetings, receptions, weddings and anniversary celebrations, parties and other special events. It may be rented by itself or as part of a package with our other rental facilities.

The renovated and expanded Center can seat 250 at tables or 350-plus in theater seating or at a come and go event. The Center offers five ADA accessible public bathrooms which include a bridal/family dressing space with easy access to weddings and receptions on the East Lawn.

The rental fee includes twenty-nine 60" round tables, each seats 8 guests; ten 72" round tables, each seats 10 guests; twelve 8’ long tables; ten 6’ long tables; 4 high top cocktail tables; eight 4’ square tables and 250 Chavari chairs. You will need to provide your own linens and centerpieces for the tables. The kitchen has two stoves with ovens, 2 microwaves, industrial refrigerator plus a large freezer, and a commercial grade dishwasher for your use.

There are large coffee pots (30-cup, 45-cup, and 100-cup sizes). Glass plate/cup sets are also available for your use. One of the very special features of the Center is an extraordinary 1910 historic sideboard from which you can serve food or drinks. It adds great ambiance to the main reception area. You are responsible for your caterers and guests not damaging this historic piece.

The Center is in a residential area so noise and activities must be kept at a reasonable level during your event. Residents have requested that things quiet down after 11:00 p.m. No smoking is allowed inside the facility. Ash cans are posted outside of the building. You’ll find that this attractive and accommodating reception center is still one of the most reasonably priced venues of its size and historic charm.
